PRO SERIES PAINT PROTECTION FILM

\$435.00*

The Genuine Lexus Pro Series Paint Protection Film is designed for the leading edge of your roof to help guard your vehicle's paint from sand, stones and other road debris that can chip and scratch the finish. Made from transparent thermoplastic urethane, the clear-coated film helps maintain a like-new appearance for your Lexus.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.
